## **DETAILED ACTION**

### ***Allowable Subject Matter***

Claims 1-11 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

### ***Election/Restrictions***

In view of the newly submitted amendment, the restriction requirement in the previous office action is hereby withdrawn.

### ***Specification***

The Brief Description of the Drawings should be relocated in the specification prior to the Detailed Description of the Drawings.

### ***Claim Rejections - 35 USC § 112***

Claims 1-11 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. In claims 1-3, the phrases 'said seat' and 'said elastic plate assembly' have no proper antecedent basis because there can be more than one seat and more than one elastic plate assembly.

### ***Conclusion***

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
